

TIPS LEARNING SPANISH

Pronombres Demostrativos / Demonstrative Pronouns.			
Número y Género / Number and Gender	Distancia inmediata / Immediate Distance	Distancia Media / Medium Distance	Distancia Larga / Long Distance
Singular Masculino / Singular Masculine	este / this	ese / that	aquel / that
Singular Femenino / Singular Feminine	esta / this	esa / that	aquella / that
Plural Masculino / Plural Masculine	estos / these	esos / those	aquellos / those
Plural Femenino / Plural Feminine	estas / these	esas / those	aquellas / those

Note: Doesn't exist a specific distance for to define the difference between immediate distance and the long distance. But we think that you can understand it better, if you analyze the following picture:

 Este es mi Carro Amarillo This is my yellow car Situations where we could use "este": • I can touch it • You might or not	 Ese es tu Carro Amarillo That is your yellow car Situations where we could use "ese": • I can't touch it • You might or not	 Aquel es un Carro Amarillo That is a yellow car Situations where we could use "aquel": • I can't touch it • You can't do it either
