POSSESSIVE ADJECTIVES (before or replacing the nouns)		
Person	English	Español
1st Singular	My	Mi, Mis
2nd Singular	Your	Tu, Tus
3rd Singular	His, Her, Its	Su, Sus
1st Plural	Our	Nuestro, Nuestra, Nuestros, Nuestras
2nd Plural	Your	Vuestro, Vuestra, Vuestros, Vuestras
3rd Plural	Their	Su, Sus

Note: These Possessive Adjectives are used in the same way that their equivalents in English. The most important difference is the existence of the genders (masculine and feminine) for the 1st and 2nd persons of plural, and the number (singular and plural) for all persons.
